CAFE - BISTRO

Welcome. We thank you for visiting. We hope you enjoy the Noah & Co. experience, the culmination of all the years Noah spent working as a baker and chef, circumnavigating the globe in search of new dishes and flavours with which to delight you.

And yet, after all his voyaging, all his sampling and refining amazing recipes it all comes round, full-circle, to one thing: Fresh Produce. We'd like to thank all the local farmers and specialist food producers who make this menu possible by delivering amazing Irish ingredients fresh to our kitchen every morning. Slainte!
